Class History

FIRST GRADE

It seems like only yesterday, that we entered Mrs. Ruth Rapp's room to begin our adventurous school days. There were 38 of us that first year. We were all cute (my how times have changed) but ornery. Along with the alphabet and spelling, we learned to tie our shoes, sing songs, and color. We slowly grew adjusted to the fundamentals of school life.

SECOND GRADE

In the second grade Mrs. Ruth Meredith gained our love and respect through her quiet, understanding patience. Most of all we remember our country store and sand-box that kept us busy on rainy days. There were 42 of us this year. New members were: Deanna Grindle, Jack Umbargo, Richard Waterson, Monte French, Lewis Boulet, Donna Coy, Arthur Troyer. Members lost were: Dominic Garnago, Ronald Underwood.

THIRD GRADE

In the third grade we were under the guidance of Miss Hilda Dippon. Although we remember Miss Dippon as a pretty woman, some will vouch for the fact that she could also handle a paddle!! Our main struggle and headaches originated in multiplication problems-which we thought we would NEVER master. There were 47 of us this year. New members were: Nola Meek, Arthur Simmons, Richard Killenberg, Chuck Zimmerman, Alice Gingerich. This was the first year that we did not lost any members.

FOURTH GRADE

We all remember our fourth grade teacher, Mrs. Mary Gants, as the one who pounded the multiplication tables into our thick skulls. We also remember the beloved story-time and parties that we would have when our work was finished. Because of a bad windstorm, this was the last year that the school bell on the old building was in use. There were 49 of us this year. New members were: Gleneen Peters, Susan Streibel, Jerry Forrest, David Lee, Charles Schlabach, Jimmey Berry, Jay Brouwer, Margaret Huninghake, Dominic Garnago. Members lost were: Richard Krilenberger, Jack Smith, Patty Tauber.

FIFTH GRADE

Our fifth year in school was under the guidance of Mrs. Gladys Morris. It was this year that we had to learn all of the states and capitols for the first time. Mrs. Morris' biggest problem was discipline. If memory serves right, there were quite a few people who had to stay in recesses. New members were: Carol Weaver, Sandra Weldy, Sandra Worley, Dick Tuttle. Members lost were: Susan Streibel, Monte French, Richard Krilenberger, David Lee, Richard Waterson, Dominic Garnago.

SIXTH GRADE

In our sixth year of school, we started the year out with the attitude that "we know all". It wasn't long, however, until our first man teacher, Mr. Gilbert George, took this idea out of our heads. Our fondest memory is the first snow-fall, when Mr. George let us have a free-for-all snow fight. New members were: Paul Pollock, Carol Hudson, Roddy Laughlin, Paul McClamrock. Members lost were: Donna Jean Coy, Sandra Weldy, Sandra Worley, Jimmy Berry, Marcia Knipstein.

SEVENTH GRADE

The seventh grade was our first year in the high school building. Our greatest fear was Mr. Garner's discipline in Study Halls. Miss Evelyn Gladueax was our sponsor and there were 53 of us this year. New members were: Suzanne Brown, Caroline Coil, Linda Davis, Evelyn Davis, Deanna Denton, Mary Stuckman, Tom and Jerry Kern, Jerry Werling, William Irvin.

EIGHTH GRADE

Mr. Stotts was our sponsor this year and there were 53 of us. We fondly remember the fun we had in Study Halls. New members were: Larry Weaver, Nona Lamb.

FRESHMAN YEAR

Our High School days proved to be the most exciting time of our lives. During our Freshman year, Mr. Garner was our sponsor and there were 52 of us in the class. Suzanne Brown and Jay Brouwer were chosen to represent our class in the first King and Queen Dance. We were very proud when Suzanne was chosen queen of the school. We had a barn party and enjoyed a trip to the dunes. New members were: Lucille Bushong, Betty Denton, Darlene Lung, Arnela Miller, Barbara Montel, Phil Kitson, Merna Keim, Lester Barnard. Members lost were: Evelyn Davis, Deanna Denton, Margaret Huninghake, Nola Meek, Roddy Laughlin, Dick Tuttle, Jay Rigdon.

SOPHOMORE YEAR

We had some money making campaigns during this year. Some of them were selling schedule pencils and a hanger drive (never try it-it's a mess). Mr. Hughes was our sponsor and there were 49 of us. Barbara Montel and John Searfoss were chosen as our King and Queen with Barb receiving the honor of being queen of the school. This was the first year that the school took part in interscholastic baseball. New members were Evelyn Detwiller, Max Kleinknight, Nancy Baumgartner. Members lost were: Samuel Nusbaum, Arnela Miller, Lawrence Williams, Alice Wagner, Paul McClamrock, Keith Larson, Marlene O'Haver, Everett Byrd, Linda Davis, Mary Stuckman.

JUNIOR YEAR

We had many exciting things happen this year. Among them were the presentation of our class play, "WE SHOOK THE FAMILY TREE," and the buying of our class rings. We had a magazine campaign this year. Jay Brouwer was the top salesman and received a portable radio for his efforts. Mrs. Vance and Mr. Longenbaugh were our sponsors and there were 43 of us. Mary Miner and John Searfoss were our King and Queen with Mary being chosen Queen of the school. This was the first year that the new building and cafeteria were in use. Members lost were: Evelyn Detwiller, Arthur Troyer, Larry Weaver, Jerry Kern, Tom Kern, and Arlis Hammon.

SENIOR YEAR

During our senior year we were kept busy (and broke) with the duties of seniors. Some of these were: Newspaper work, canteen work, pictures, invitations, name cards, annuals, and provisions for our class trip. Our class play was "A BROOM FOR THE BRIDE". This was the first year that the new gym and canteens were in use. There were 40 of us this year with Mr. Immel and Mr. Longenecker as our sponsors. New members were: Judy Franklin and Jay Rigdon.

There were 18 of us that went through our twelve years together. They are: Darlene Dust, Darlene Hickman, Larry Mock, Ruth Ann Cory, Susan Darr, Rosemary Losee, Walter Brazil, Ronald Thornburg, Carol Micheal, Jean Sloan, Harry Brinkman, Mary Miner, Dan Felts, James Connolly, Peggy Pusti, Fay Gard, Pat Sicks, Tom Ryman. Although we do not know where our future leads, we are anxious to further our climb to higher knowledge. We hope that we have made some cherishing friends and have done something to better our school. We wish to thank everyone who has made this the famous class of "56ers".
