1 Man, 2 Options

Wawasee's stage radiated this Fall with the production of Noel Coward's comedy "Blithe Spirit". **Ian Brumbaugh**, in his 7th production at Wawasee, played Charles who plans a séance as research for his new book. He invites the eccentric medium Madam Arcarti, **Sophia Katsaropoulos,** into his English country home intending to expose her as a fraud. To witness this event, Charles and his second wife, Ruth, **Emily Harden**, invite the skeptical Dr. Bradman,**James Heath**,and his anxious-to-believe wife, Violet, **Jasmine Ensz**. When, in the course of the shady séance, Madam Arcarti mistakenly summons Charles' first wife, the sultry and fiery Elvira, **Miranda Moss**, back from the beyond, things get thoroughly out of hand. The audience was shocked when the housekeeper, Edith, **Gianna Hostetler**, was a key part in all the madness. With a small and talented cast, Blithe Spirit was a sure dazzler!

BEAUTY & THE BEAST

Tale as Old as Time

The Drama Department was thrilled when it was announced that they would be putting on a show full of magic, adventure and romance this Spring. This show was *Beauty and the Beast*, based on the classic Disney film of the same name. In it, Belle (played by senior **Taylor Garrison**) is tired living in her small town filled with small minded people. None of the townspeople seem to understand her love for books and adventure, especially burly Gaston (junior **David Ryl-Kuchar**), who thinks women should be seen and not heard. He wants to tame Belle and make her his wife. When Belle's loving but quirky father (junior **Pashma Morseau**) gets lost in the woods, Belle rushes off to find him...but discovers much more. The castle where Maurice has become a prisoner is inhabited by a multitude of enchanted objects, including the charming candlestick Lumiere, the ticked-off clock Cogsworth (juniors **Tristan Palmer** and **Ben Rairigh**), the opera diva wardrobe Madame de la Grande Bouche (sophomore **Kenzie Hare**), the flirtatious feather-duster Babette (senior **Miranda Moss**), and the motherly teapot Mrs. Potts (senior **Sophia Katsaropoulos**) with her adorable teacup son, Chip (freshman **Kevin Schlipf**). Even after she meets the beastly master of the castle (senior **Ian Brumbaugh**), Belle bravely trades her father's freedom for her own. The Beast hopes Belle will be the girl to break the spell the entire castle has been put under until he can learn to love and be loved in return. Through their relationship is tenuous at first, with the help of the enchanted residents of the castle they slowly fall in love with each other. Meanwhile, Gaston continues to plot with his sidekick Lefou (freshman **Chris Oesch**) and Monsieur D'Arque (junior **James Heath**) to lock Belle's father away in order to make her his own. In the end, love saves the day, and the castle and all its inhabitants are returned to their human forms. The cast performed four times; once for a lively crowd of kindergarten and first graders from the elementary schools, and three times for the community. The show was a hit, with colorful dance numbers, touching solos, and an amazing set and light design that really made the timeless fairy tale come alive on stage.

"True that he's no prince charming, but there's something in him that I simply didn't see."

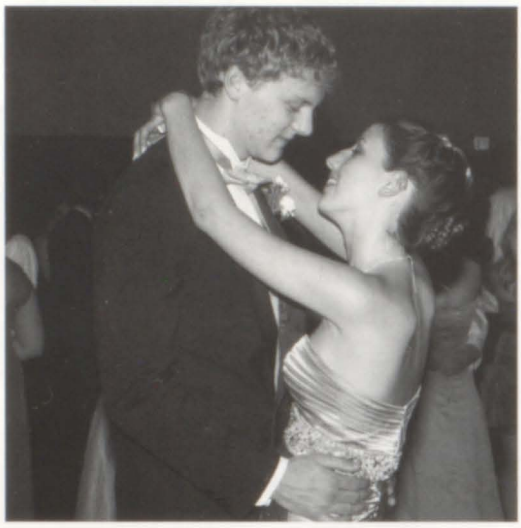

- Belle

If you had to describe the season in one word, what would that be and why?

Mia Hauser, Senior

TIME FOR CHANGE

WHS Goes Through Major Updates

Left to Right: Construction zones made getting to certain classes a little more difficult. The new office has lots of room .

Construction workers work on combining classrooms to create a larger cafeteria.

Students sometimes found their paths to class impeded this year by more construction. After the new weight room and shop classes were finished and opened up in the fall, the old rooms were shut down to start construction on a new cafeteria that is set to open at the beginning of the next school year. The main office also went through some major updates. After a few snags, this new facility gives visitors a great first impression of our school while also making WHS a safer place for students and teachers.

Above, Clockwise: Consulting the blueprints to make sure the job gets done well. A new conference room in the office. Large windows will let in lots of sunlight in the new cafeteria.

Promise me to use your faith, and take a chance
And when you get the choice to sit it out or dance-

I hope you dance!
