The Homecoming Festivities

By: K Nelson

Homecoming is a special time of the school year full of old and new traditions. It brings everyone together, from the 'annoying underclassmen," to the "scary upperclassmen." We take pride in expressing ourselves this one week more than any other week during the year. Everyone is brimming with creativity during our homecoming theme, Heroes. Students showed off their super side and also gained a few years throughout the week. It was a fun time for everyone.

Here Come the Royalty

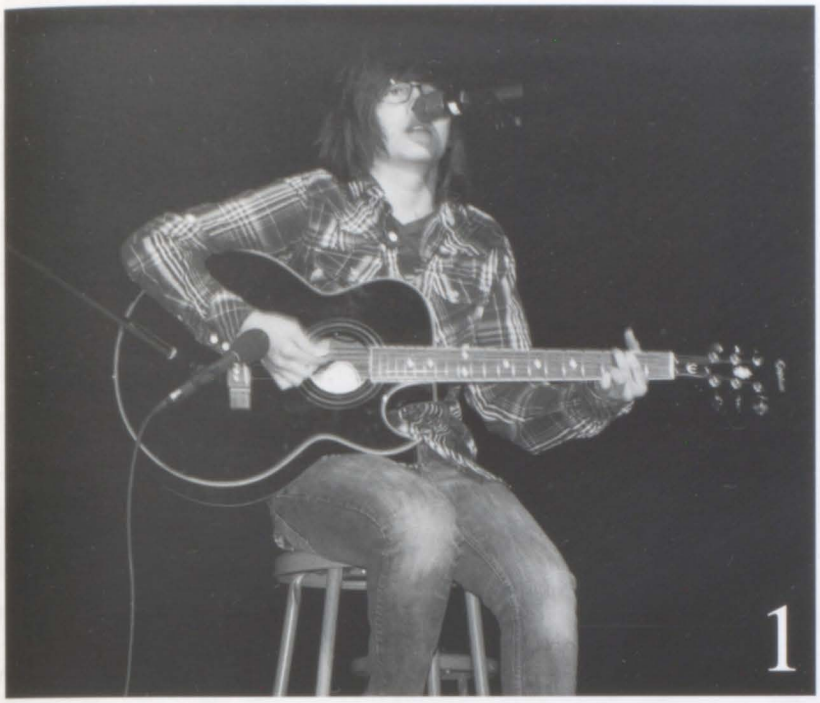

By: Kaylee Nelson

It's the Friday night of homecoming week, and you can only guess where all of Wawasee's students were. Decked out in green and gold and showing their true Warrior spirit, students spilled into the stands to support our football players during the big game. During half-time, Sophia and John joined us once again to hand their crowns down to our newest homecoming queen and king, Jenna Coy and Chad Eppley. Later, the game went into overtime and the Warriors won by a single point, putting the crowd into a frenzy. It was a perfect ending to a fantastic homecoming week.

Sound of the Warrior

By: Gabe Dixon

What a great year it was for Wawasee High School's hard-working Marching Band. From the awesome display of dancing and talent displayed by the Color Guard, to the stomping march they performed, the Warriors showed great spirit. All the practices and performing the team did for their competitions and home football games really show the time and effort this family put into their amazing work. You've really got to hand it to those guard girls because they went on twirling their flags, even while being student taught. Having high hopes and goals, this strong band seems to always be pushing forward and improving.

SEMI FORMAL

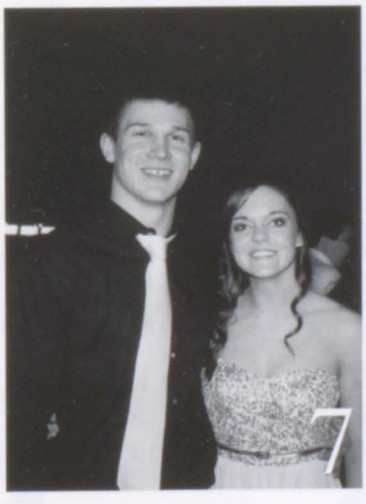

A night to DANCE!!!

February 16th of 2013 was a fun and musical night for Wawasee Warriors. We had a jamming DJ, who played music that definitely kept the crowd on their feet and dancing like there was no tomorrow. The display of l.e.d. lights also gave the dance a spectrum of colorful lights. The new Cafeteria is where the dance was held this year, and many years to come. Give a great thanks to the student council, Ms. Records, and Ms. Thornburg for making Semi Formal possible.

Warriors Run with Passion

By: Samantha Simmons

The Warrior Cross Country teams know dedication for their love of running. They talk about becoming one big family, by going to summer camp and helping each other through the long practices. The Warriors ran their way through the scheduled seasons, to sectionals, into regionals, where both teams placed 6th. Reid placed 8th and moved on to semi state, and Breanna Robinson placed 13th and also moved on to semi state. Overall both teams had a great seasons. Great job Warriors!!

Girls Soccer

By: Lyric Lambright

The warriors girl soccer team ended their season with a 3-12-1 record. All of the players were truly dedicated to showing the crowd what soccer is all about. They picked each other up on and off the field. The team became a family as the season went on. They may have gotten frustrated with each other at times, but at the end of the day they played as a family. There were three seniors on the team this year. Their expectations for next year are to get better in all aspects of their sport, and maybe to win a few more games, but their main priority is to have fun and compete for the sport they love.

IN LOVING MEMORY OF CASEY OCHS

April 11, 1997 - January 18, 2013

"You don't know me, no one does. I'm me, thats what I love. People try to put me in a group, but there isn't one for me. I have no need to try to stoop to the level of others, because this is my life and I control whether or not it's a good or bad day."

-Casey Ochs

The Wawasee High School Yearbook staff took advantage of this once in a lifetime opportunity by asking classes to hold signs depicting the rare event, and do funny or silly poses. The classes really had fun with some of their pictures! We had students left and right wanting their picture taken for this day. Thank you to all of those who participated in the event, as we could not have done this without you! We hope you enjoy browsing through your pictures from 12-12-12 day and much as we enjoyed taking and arranging them!

Making Memories for a Cause

The Goodwill fashion show was definitely a hit this year! Many students and staff members participated. We would like to thank all of you for your participation and help. Not only was this a great event to participate and have fun at, but all the clothes were donated again to Goodwill afterwards. These are the types of events that give Wawasee the great name it deserves! We hope to make this a tradition and incorporate the show in the homecoming activities for years to come.

BIG WALLY EATING CONTEST

This year was the 34th annual "Big Wally Eating Contest." After the try out round, the top three boys moved on to the finals. Our competitors in the try out round were Chad Epply, John Ruiz, Charlie Bird, Ryndan Aaron, Devan Courter, Henry Kidd, and Chris Pezan. The lucky finalist were, Chad Epply, John Ruiz, and Devan Courter. John Ruiz set a record for Wawasee in the try outs by eating seven Big Walleys. They all had10 minutes to eat as many Big Walleys as they could. The three that ate the most, moved on. In the finals, there were 4 schools from the surrounding area that competed, with each team having three members. Wawasee earned 2nd place in the contest by eating 20 Big Wallys, loosing by only 1 burger to Tippy Valley, whose team consumed 21, and won the grand prize, which was $200 towards their school's prom, good job to all the contestants, and let's get them next year!

WHS STUDENT POW WOW

This year, the Leadership Committee put on a school carnival. They called it the Pow-Wow, and all Wawasee High School students where able to attend. The carnival's purpose was to create more student interaction, and to provide the student body with a fun atmosphere to unwind in. At the Pow-Wow, there were many events that students could do. There was Sumo wrestling, basketball tournaments, ping pong tournaments, and volleyball tournaments. There were many other events to do there as well, such as the dunk tank with Mr. Harmon. All proceeds from this event went to a community member in need.

Music is in the Air

by: Gabe Dixon

The spring musical was a great success for the Drama department students. From start to finish, the musical was a fun and exciting performance. The casting was excellent, all of the actors did an excellent job of connecting with their characters. During the show I was never bored of the storyline, the show had completely absorbed me. "Thoroughly Modern Millie" is a story about a small town girl hoping to make it as a success in the big city of New York, who works her way to the top. Millie Dillmount, the main character, was portrayed by Senior, Emily Harden.

2013 SUPER MILEAGE

By: Matheus Amado

The same as every year, the Wawasee High School Super Mileage team is entitled to make three different vehicles. Each of the three have different specifications, and moderations. The specific categories are gas, electric, and diesel. The goal with this class is to build a car with the best mileage. Thus the name, "Super Mileage." The class began with the blueprints for the car early in the first trimester. They then began the building process midway through the same trimester. This year's team did not have any returning students from last year, so most of the students were fairly new to building cars, which is probably why there were a few minor complications while in the building stages. There were at least 140 vehicles ready to be raced. Wawasee only competed in the categories of gas, electric in diesel. In the end, their best race was with the diesel which came in at third pace. The next best was the electric car, which came in at 9th; and lastly, was the gas which came in at 12th. Great job team, and let's get them next year!

American Band Stand

By: Gabe Dixon

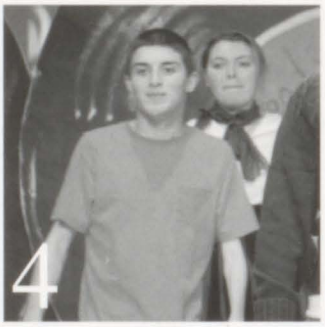

The 2012-2013 Pop Show was a great hit for Vocal Motion and the choirs. The show blew the crowd away with classic hits, ranging from the 50's to the 80's, playing songs like, "Hit Me With Your Best Shot," "Monster Mash," and "Hey Micky," as well as many more awesome songs. The two hour show kept the parents and fellow students entertained with well known songs that the crowd sang along with. The show couldn't have been possible without their director, Connie Meadows. Good job, Ms. Meadows!

GIRLS TRACK & FIELD

Girls Track & Field

By: Lyric Lambright

This year, the girls track team did a wonderful job throughout the season. They showed their hard work by advancing many girls to Sectionals and Regionals. The girls did a fantastic job of showing how the Warriors do it. They also got the award for the highest GPA out of all of the spring sports. All of the girls reached their goals for the season and are striving higher for next season. Great job!

Q A

Q Where do you see yourself in ten years from now?

A Hopefully married, graduated high school, and ready to start my own family.

Q What has been your favorite memory over the past four years?

A The Warrior Pow Wow, games, extra curricular activities, making great friends, and meeting foreign exchange students.

Q How does it feel to finally be done with high school?

A Mixed emotions. It feels great to finally be done, but it's hard to face the fact that we have to move on with our lives. It's kinda scary!

IN LOVING MEMORY OF HARRISON FIDLER

JUNE 19, 1994 - JANUARY 31, 2009

Harrison earned the title "life of the party" everywhere he went. We saw him with a smile on his face, and he was always ready to try something new and exhilarating. He had an infinite amount of confidence, whether it was for flying off ramps or ding-dong-ditching the neighbors. He loved the rush of living life to the fullest. Battle scars were always something he tried to bring home, striving to make each one bigger and better than before. He was the kid that would fall with a hard crash, and get right back up and try again. He loved pulling practical jokes, and making people laugh. Harrison had a heart that was ready to serve others. The love he showed so many will continue to inspire us and live on with our memories of him.

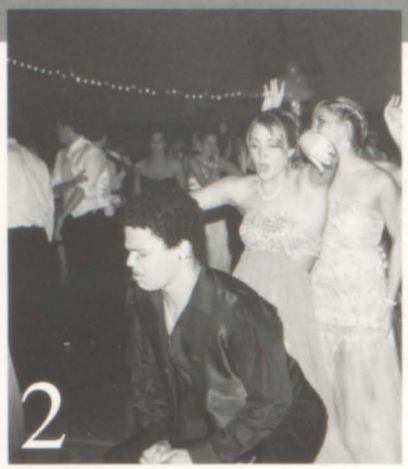

"Shoot for the moon- even if you miss you'll land among the stars."

"Goodbye may seem forever. Farewell is like the end, but in my heart's the memory and there you'll always be."

Wawasee Students Seek Future Opportunities

By: Samantha Simmons

These programs provide the opportunity to discover potential future jobs for students. The ICE program is where students can earn money while working at their job during school hours. The Internship program is where students can explore different job avenues. Some options for internships are Cadet teaching, Vet Tech assistance, Police Officer training, and Photography assistance. Both options helps students to earn credits toward your diploma well exploring different jobs.

The Legend ~yearbook

Yearbook? That sounds Cool!

By: Lyric Lambright

This year, the yearbook class was all rookies! We had to come together to make a book, while still learning about how to create our perfect pages. Our teacher was also new! If you love being involved in school activities, this would be a great class for you! Our expectations for next year are to come together to make a great new staff and to get the book done a lot sooner! =)

(1.) The yearbook staff forms a Y to stand for Yearbook!! (2.) **Lyric Lambright** and **Chelsea Kidd** at prom to take pictures for the yearbook. (3.) The yearbook class takes a silly picture for the winter spread. (4.) The yearbook staff goofs around during class. (5.) The yearbook staff takes their fall picture in a pile of leafs.
