Gridiron Warriors

By Ryan Lockhart

A great season for the warrior football team with a new head coach and big expectations. Players gave it their best all year and delivered in big moments. With huge wins against Whitko and Plymouth, the warriors capped off the season by bringing the Chief Trophy back home. A tough sectional loss to Leo brought the overall record to 5-5.

Not Just A Team

By Lydia Katsaropoulos

The Wawasee Volleyball team had a fun and exciting year. Many people came out to support the ladies with different theme nights and huge personalities. The girls learned how to play as a team and how to overcome obstacles they have never had to deal with. They hope the support from the school continues just as they continue to grow.

Run Run Run!
By Lyric Lambright

The 2013 boy's and girl's cross country teams really out-did themselves this season. The girl's team made it to semi-state for the first time since 1982 for the Warriors. The boy's came up nothing short of also making it to semi-state. A big congratulations to the boy's and girl's cross country teams this year!

Kickin' It With the Warriors
By Lyric Lambright

The soccer team not only supports their teammates, but they support other athletes in their events as well! Many of the boys go out to volleyball games to show their school spirit. The team really knows how to be team players and show support to the other sports. Good luck next year!
